WORK EXPERIENCE

Frontend Developer

Goldenmace IT Solutions (Intern)

10/2023 - 04/2024

Achievements/Tasks

- Training of HTML,CSS, Bootstrap, JavaScript and Framework Reactjs & Nextjs
- Experienced in web development with a focus on creating components, managing page routing, setting up projects, integrating plugins, debugging, and conducting thorough testing. Proven ability to identify and resolve issues efficiently, ensuring optimal project performance and user experience.

PERSONAL PROJECTS

Project Business using Reactjs & node.js

- Implemented both free and premium project templates with advanced features. Enabled easy customization of premium projects and user-uploaded projects through simple forms. Streamlined change requests with an integrated on-site form.

RealEstate Website

- Created a Dynamic Real Estate website using React. Developed features including property listings, interactive maps, and a responsive design for optimal user experience.
